

# GREAT LIFE BUILDER SAN JOSE CITY

## BY GREAT LIFE RESOURCE MINISTRY 2024

## Building Godly Character

The main goal of this ministry is to build great lives by helping high risk youth develop godly character through the gospel of Jesus and by providing access to education and family support. We believe this is how they can be blessed and become a blessing to others.

### After School Tutoring

Tutorial with snacks/meals provided after school with professional tutors

### Attend Church/Activities

Attends Annual Jesus Reigns Celebration

## Identifying barriers . . .

This ministry is counter cultural. To help build great lives, the students are led to join activities to break timidity, hopelessness, and unworthiness. They are also discouraged to join activities that invite darkness including traditions held with strong beliefs but invite demonic influences.

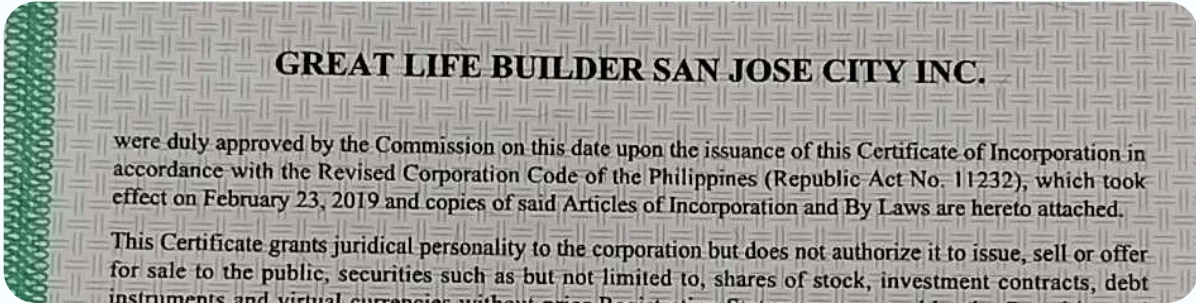

**Keeping A Promise**

To finance educational support to complete high school and/or college education.

**Provide Other Opportunities**

Introduce computer-related skills and programming via raspberry pi workshops

**Established a local nonprofit organization (Great Life Builder San Jose City, Inc)**

Great Life Builder San Jose City was established in 2024 to have an official partnership with Great Life Resource Ministry. This helps establish a formal working policies and procedures in building the lives of these young people. This involves student scholarship grade maintenance, parental accountability, church attendance and other related activities.

**TRANSFORMING LIVES,  
TRANSFORMING NATIONS**
